

INSTALLATION GUIDE

CTS Resonator Delete Kit – B9/B9.5 Audi A4/A5/Allroad
CTS-EXH-TP-0011

WHAT IS INCLUDED

1. Resonator Delete
2. Clamp

NOTES

Always make sure the car is safe to work on. Do not work on a hot motor.

STEP 1

Loosen the clamp after the resonator.

STEP 2

Align the CTS resonator delete pipe and mark the cut location.

STEP 3

Cut the OEM pipe

STEP 4

Install the CTS resonator delete pipe and secure with the provided clamp. You will re-use the OEM clamp on the other end.

STEP 5

You are done.
